the decision of their officers in re- ground that is a littleation, the strike order. Presiden Lee of the trainmen said.

I expect the unions to follow the counsel of their committees so there will be no sporadic outbursts in any quartiers," said Lee. "Last year there were such sporadic outbursts that as a result the charters of 93 locals were withdrawn and more than 25,000 men suspended. The men know the committee here would accell nothing that was not for the heat interest of the organizations.

"I am very happy that this has
